

# Discovering Buddhism Donation Plans

How we calculate the donation tiers.

So...you would make **19 consecutive monthly donations of £44.29, £29.53, £14.76 or £0** depending on the tier you choose, the first donation being processed on the day you register.

## The different donation tiers explained

- **Sponsor:** for those who want to donate a little extra to support other students on less income.
- **Standard:** Median tier donation.
- **Reduced:** for those on reduced income.
- **Ordained:** for monks and nuns.

## A reminder of our Generosity Model

As a non-profit organisation, we rely on donations to be able to provide our courses. We set recommended donation tiers as a guideline for students. However, everyone can register for our Buddhist study programmes, regardless of financial circumstances. If the recommended donation tiers are not feasible for you, please get in touch so we can come up with a donation plan that works for you!
