

Join the Jamyang team as a local Temple volunteer

At Jamyang we make daily offerings on our alters, arrange floral displays for the main temples (Tibetan: Gompa) and set out beautiful presentations for our Weekly Pujas and Teaching events.

Our resident volunteer Maria is our primary Gompa Keeper who looks after our flowers and offerings on a weekly basis; and organises regular cleaning of the temple spaces to ensure they are looking their best ready to welcome all who visit Jamyang.

We are presently looking for local volunteers who would like to give Maria a hand in this beautiful way of offering service and volunteering at Jamyang - ideally we're hoping to find community members who are able to make a regular weekly commitment.

If this sounds of interest to you please contact manager@jamyang.co.uk with your details, with a subject line of 'Temple Volunteer'
