

## TANGKHA PAINTING CLASS

### LIST OF DRAWING MATERIALS

#### DRAWING

1. A3 (29cm x 42cm - 11.5 " x 16.5 ") drawing paper – 2 sheets  
**or larger sizes for large drawings.**
2. Mechanical pencils (0.5mm or 0.3 mm) with HB lead  
Or ordinary pencils HB, 2B, F and a pencil sharpener
3. Eraser or putty
4. Long ruler (60cm - 24")
5. Compass for drawing circles ( large )
6. Tracing paper
7. Masking tape to attach paper to drawing board
8. Drawing board.  
One can obtain a cheap drawing board by buying pre-cut MDF (medium density fibre) or marine plywood (10 mm – 3/8 " thickness).  
Any size larger than the paper, e.g. 18" x 24".

#### BRUSH & INK

After you have completed the pencil drawing, you may wish to ink in the lines. This gives you a finalized drawing – a piece of art in its own right. You will need:

1. An outlining brush ( size 0, 00 or 000 ).  
I prefer Winsor & Newton finest sable, series 7, size 00. Or a similar brush by DaVinci, Daler & Rowney or any reputable art supplier. They are expensive, if your budget does not permit, a synthetic version of the above sizes will do
2. Any acrylic black ink (eg. Winsor & Newton) or any black drawing ink
- 3 Water container (an old glass jar will do) and small plate
- 4 Rag or tissue paper
5. Scrap paper for testing your brush strokes
